**H**ungry Wungry went looking for Foodie Woodie. He looked high, he looked low, he looked here, he looked there, he looked everywhere—but he couldn't find Foodie Woodie.

By and by he met Ever Clever.

"Ever Clever," said Hungry Wungry, "I am looking for Foodie Woodie. I have looked everywhere. Have you seen him?"

"Have you looked in your tummy?" asked Ever Clever.

"No, I haven't looked in my tummy," said Hungry Wungry. "I'll look there now."

Hungry Wungry looked in his tummy.

"No, he's not there," said Hungry Wungry.

"How about the kitchen?" said Ever Clever. "Have you looked in the kitchen?"

"No," said Hungry Wungry. "I haven't looked in the kitchen."

And that's where Hungry Wungry found Foodie Woodie. He found him in the kitchen.
