Once upon a long time ago Silly Willy went looking for Peekaboo. "Peekaboo! Peekaboo! Where are you?" sang Silly Willy, but Peekaboo was not to be found.

So Silly Willy went to Lookalot.

"Lookalot, have you seen Peekaboo?"

"No," said Lookalot, "but I'll help you look for him."

"Peekaboo! Peekaboo! Where are you?" called Silly Willy and Lookalot, but Peekaboo was nowhere to be seen.

So Silly Willy and Lookalot went to Findalot.

"Findalot, have you seen Peekaboo?"

"No," said Findalot, "but I'll help you find him."

"Peekaboo! Peekaboo! Where are you?" called Silly Willy, Lookalot and Findalot, but wherever they looked Peekaboo was not there.

So Silly Willy, Lookalot and Findalot went to Gotcha!

"Gotcha!, have you seen Peekaboo?"

"No," said Gotcha!, "but I'll help you catch him."

"Peekaboo! Peekaboo! Where are you?" called Silly Willy, Lookalot, Findalot and Gotcha!, but they still couldn't find Peekaboo anywhere at all.

"This is strange," said Lookalot.

"Very strange," said Findalot.

"Most unusual," said Gotcha!

"I know," said Silly Willy. "Let's play 'I spy'. Maybe we'll find Peekaboo that way."

"Good idea," said the others.

So Silly Willy covered his eyes and said: "I spy with my little eye someone starting with 'P'."

Lookalot, Findalot and Gotcha! looked and looked and looked. Suddenly they saw Silly Willy peeking out between his fingers.

"Peekaboo!" they cried, and that's how they found him.
