"Silly Willy! Silly Willy!" cried Peekaboo. "My bicycle falls over."

"When?" asked Silly Willy.

"When I stop," said Peekaboo. "I go fast and fast and fast, but when I stop it keels over. I don't understand."

"That's hard to explain," said Silly Willy. "It's scientific."

"Please tell me," said Peekaboo.

"Oh, I'm not sure you'll get it," said Silly Willy.

"I will get it. I will, I will," said Peekaboo.

"Okay," said Silly Willy. "It falls asleep."

"Falls asleep!" exclaimed Peekaboo.

"Yes," said Silly Willy. "That's what happens when you're too tired."
