I saw an elephant,  
Big as a bus –  
As big at least,  
As ten of us!  
She was! She was!

She flapped her ears!  
She waved her trunk!  
I tried to think ...  
I think I shrunk –  
Very small! Very small!

She charged at me!  
I fled from her!  
How far I ran,  
I can't be sure –  
At all! At all!
